

Jewelry Class

The Fondation de la Haute Horlogerie, whose mission is to promote and transmit watchmaking culture, is pleased to present the FHH Academy, its entity dedicated to watchmaking training worldwide. The FHH Academy offers a range of training courses, lectures, courses and workshops with the aim of acquiring the essential skills and knowledge related to the world of fine watchmaking.

Synopsis

The training can welcome up to 12 participants.

The session begins with a reminder of how the essential components of a watch as well as its terminology. Then, it is followed by a short presentation on jewelry. Finally, it focuses on the definition, history and techniques of the various types of jewelry watches. The training ends with the presentation of exceptional timepieces from contemporary brands, as well as the latest models unveiled at the year's watch fairs.

The module uses a variety of media and pedagogical methods that are employed throughout the course and that help to set the rhythm of the session.

No exam is planned.

A certificate of attendance is issued at the end of the training for all the participants who have attended the entire course.

Objectives

The Jewelry Class course offers a general understanding of jewelry watches.

The objectives of the module are :

Participants will be able to identify a jewelry watch and to recognize their distinctive features.

Participants will be able to differentiate between the 5 main types of jewelry watches.

Participants will be able to explain succinctly the main steps of stone setting.

Participants will be able to present effectively the jewelry watch's particularities.

For whom?

This training is intended for any adult interested in the watchmaking field and does not require any prerequisites. However, the FHH Academy recommends at least one year's experience in the field.

Length of the course

The Jewelry Class course lasts one day.
